

Athena's
House

Covid-19 Policy

According to the latest guidelines of the World Health Organization as well as the Greek health authorities, we have modified our business procedures to ensure the collective prosperity, health and well-being of our customers and our staff.

- Our accommodation is certified in terms of measures to prevent and treat COVID-19 pandemic,
- Daily disinfection of all common areas is carried out during the day,
- Thorough cleaning & disinfection of rooms at high temperatures using steam cleaners and Covid-free cleaning products,
- Extension of check-out and check-in between stays (check out until 11.00 am and check in from 3.00 pm). This change in the time interval between each check in and check out is mandatory to ensure that between different customers the room is thoroughly cleaned and disinfected, and that adequate natural ventilation of the space is followed.
- The air conditioners in our accommodation have an ionizer, HERA sterilization filter and biological cleaning certification,
- Each room of the accommodation has individual antiseptics,
- Each staff member has received the required training related to WHO hygiene & safety protocols and cases management,
- Our accommodation possesses a book of COVID-19 related events, which includes the recording of incidents related to the prevention or treatment of a possible confirmed case,
- We cooperate closely with a doctor, who acts according to the instructions of EODY for the control of COVID-19 and the treatment of a possible case.

Thank you for choosing Athena's House for your vacation. We are ready to offer you again the relaxation and tranquillity that we all need and look forward to!

We wish you a wonderful summer!
